THIS LAW GIVES THE SMALL BUSINESSES OPPORTUNITY TO GROW
COMPANIES TO PAY HEAVILY FOR UNFAIR BUSINESS COMPETITION

Small Companies to Benefit
 The Bill that President Museveni signed into law on Monday 22 February 2024, is expected to benefit small businesses in Uganda. The law is expected to reduce the burden of taxation on small businesses, which are currently paying a higher rate of tax than larger companies. This is expected to encourage investment and growth in the small business sector, which is a key driver of the country's economic development.

MINISTERS ASKING CALLERS TO INVEST IN LOCAL PHARMACEUTICAL MANUFACTURING IN AFRICA

August 20th February 2024 The Minister of Health, Dr. Jane Ruth Aceng (center) has today officially opened the new Uga Uganda Medicine Expo 2024 taking place at the USA show grounds, Luton.

In an opening remarks, Dr. Aceng who addressed in the event spoke called upon the exhibitors to invest in local pharmaceutical manufacturing in the African continent.

The Government is committed to supporting the development of the pharmaceutical industry in the East. The Government has set a goal to produce 10% of its pharmaceutical needs locally by 2025. We are inviting you to support the government of local manufacturing, she said, adding that there are incentives to support investors involved in local manufacturing of medicine.

The Uganda Alliance (UgA) has just formed 100+ a million local manufacturers in Africa that is willing to manufacture vaccines. The Global fund is also willing to pay over 1 billion per kilo ton Africa. Dr. Aceng indicated, adding that she is looking forward to see how such manufacturing pharmaceutical products in the continent.

Furthermore, she said this will amplify the potential of the pharmaceutical sector in the country.

According to Mr. Vignepane, BioPharmas, the Director of Exhibitions and Trade Services (center) stated, the show of the pharma health care expo was first conducted in 2022 and was held in March 2023.

This expo was held and planned for the first time during the closing month of 2023 and was reserved for its first edition in March 2024. Mr. Vignepane said while delivering his remarks.

On this year's expo, more than 200 exhibitors are expected to showcase their new technologies and innovations providing a treasure trove of opportunities to explore the unmet opportunity of East African Region Market through Digital.
